

***FAUQUIER COUNTY PDR PROGRAM TO ACCEPT
NEW APPLICATIONS***

Fauquier County Purchase of Development Rights Program
will open a new application cycle beginning
May 14, 2018 through August 31, 2018

The Fauquier County Purchase of Development Rights (PDR) Program is a voluntary program that pays landowners in exchange for relinquishing the residential development potential of qualifying property to the County (ownership and use of the property still being maintained by the landowner). Landowners whose properties qualify for the PDR Program are compensated a flat fee of \$25,000 per development right. The purpose of the PDR Program is to protect working farmland and retain the agricultural industry's critical mass. To date, approximately 12,679 acres in Fauquier County have been approved for the PDR Program. Fauquier County leads the Commonwealth in farmland acreage protected through PDR.
