Registrar's Report:

The results of the Town Elections for Warrenton, The Plains and Remington were presented and discussed.

The upcoming Presidential Election in November was discussed. Concerns as to the bottlenecks in the voting process were expressed. The recommendation was made that Election Pages count the number of people in line and waiting for the ballot tabulator at regular intervals at beginning of each hour.

The Special Election to fill the vacancy in the School Board was discussed.

Remaining issues regarding the relocation of the General Registrar's office were discussed such as signage, security system, and need for additional office phones.

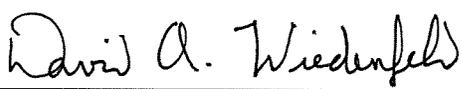

The required annual review of the security plan was performed and passed 3-0. As the voting equipment is still being stored in the Manassas Warehouse, no change was needed at this time. Once the equipment is moved to the new location, the plan will need to be reviewed again.
