Dear Sheriff Mosier,

On behalf of the Fauquier County Public Library, thank you for supporting the 2016 summer reading program. The library appreciates your organization providing prizes to encourage youngsters to reach their reading goals. Fauquier County is special because of businesses such as yours that appreciate and support young people and reading.

As a small token of our appreciation, we've enclosed a certificate recognizing your support and generosity. We hope you will proudly display this certificate in your place of business.

Sincerely,

A handwritten signature in cursive script that reads "Maria Del Rosso".
