Warrenton, VA 20186

Dear Sheriff Mosier,

On behalf of the Ride 2 Recovery team, I would like to personally thank you for your department's support on this year's Memorial Challenge!

This year's 340-mile / 5-day ride from Arlington, VA to Virginia Beach, VA wouldn't have been possible without the unwavering support from the Fauquier County Sheriff's Department.

The professionalism and commitment to excellence displayed by your department was nothing short of **OUTSTANDING!** I'd like to highlight the extraordinary support provided by the following individuals:

Captain J. Michael Miller
Master Deputy Sheriff Cory A. Donahue
Master Deputy Sheriff Kevin C. Daymude

Your officers' efforts ensured a safe environment for both the riders as well as the public. Additionally, their involvement fostered a sense of teamwork and camaraderie. There is no doubt that your department's involvement was integral in making this year's Challenge an overwhelming success.

We look forward to working with you and the Fauquier County Sheriff's Department next year on the 2017 Memorial Challenge.

Again, we at Ride 2 Recovery would like to express our deepest gratitude for your exceptional service and support!

Respectfully,

Kris Skinner
