

WASTELINE

Fauquier County Environmental Services

September 2017

Construction Update

Paving of new roadways began the first week of September and the transfer station is almost complete. The roof of the building and the walls have been constructed with contractors now turning their focus to finalizing the inside. Construction is scheduled to be completed by the end of the month.

Stay tuned for more updates, but if you have any questions or would like to see the construction plans, please contact the Environmental Services Office at (540) 422-8840.

MEET OUR STAFF

Thelma Jimenez

An employee of almost 10 years, Thelma joined our ranks and proved herself to be a dedicated member of our team, which saw her promoted to Recycle Center Supervisor. Working in the Recycle Center, Thelma is responsible for keeping everything on track and running smoothly.

Born and raised in Guatemala, Thelma came to the U.S. in 1995 and has no plans to ever leave Virginia.

Thelma has two children that she loves to spend time with, which includes a lot of travelling to and from soccer practice/games. They also enjoy going to church and spending time at the movies.
