The C.A. represents the Commonwealth in limited statutory appeals to the Virginia appellate courts, but in all cases provides the initial representation in appellate matters by serving as counsel during the appellate petition process by properly drafting and filing briefs in opposition to appeal in connection with the cases that we have successfully prosecuted in the trial court(s). In addition, the C.A. is empowered to sue civilly for drug asset forfeiture in appropriate cases.

There are also over 400 additional statutorily mandated duties imposed upon the C.A. MAGISTRATES

ORGANIZATIONAL PURPOSE:

Magistrates are appointed by chief circuit court judges for four year terms. The number of magistrates in each district is authorized by the Committee on District Courts. While magistrates do not possess trial jurisdiction, they are an integral part of the judicial system and are judicial officers of the Commonwealth of Virginia. The principal function of the magistrate is to provide an independent, unbiased review of complaints brought by police officers, sheriff deputies, and citizens. Magistrates are not police officers, nor do they provide law enforcement; magistrates are issuing officers who serve as a buffer between law enforcement and society. Magistrates may assist the public by providing information on the judicial system processes and procedures. Magistrates have no authority except that which has been expressly conferred by statute.

GOALS:

- Provide services as required by the Supreme Court of Virginia to serve the citizens of Fauquier County.

KEY PROJECTS FOR FY 2019 AND FY 2020:

- Continue to be responsible for providing the law enforcement officers and citizens of Fauquier County with the best possible service Magistrates can offer.
