Internet Purchase & Exchange Location Installed at Vint Hill

A new location for internet purchase and exchange has been installed at the Vint Hill Community Center on Aiken Drive. Signs denote two parking spaces next to the tennis courts for citizens to use to meet buyers or sellers. This location is in a public space, well lighted and monitored 24/7 by video surveillance in the Emergency Communications Center in Warrenton.

Other internet purchase and exchange locations are at the public library branch in Marshall and Bealeton and at the Sheriff's Office in Warrenton. These locations provide a safe environment to meet for the purchase or exchange of items. They can also be used for other reasons such as child custody exchange.

The Sheriff's Office encourages citizens to use these spaces in lieu of a random parking lot or other such location.

AUTHORITY: Sheriff Robert P. Mosier
