Bealeton Internet Purchase and Exchange Location

A third internet purchase and exchange location has been installed at the Bealeton Branch of the Fauquier County Public Library. This location, like the others in Marshall and Warrenton, contains two clearly marked parking spaces in the library parking lot. These spaces are well lit, monitored 24 hours a day by video surveillance and are available for use anytime day or night.

This space in Bealeton serves as a safe, public location to meet individuals for exchange of internet purchases or for child custody exchanges. The Sheriff's Office worked in conjunction with the Fauquier County Public Library staff to install these safe spaces.

The three internet purchase and exchange locations in Fauquier County are monitored in the Sheriff's Office Emergency Communications Center.
