Sharps, Do Not Recycle

Environmental Services has been reaching out to local pharmacies to help distribute information about the County's home sharps disposal program.

The department has supplied them with program flyers to hand out to patients who may need an outlet for home sharps. For the health and safety of staff and all others who handle trash and recycling, please dispose of sharps/needles properly. Ask your local pharmacist for more information, or call our offices at (540) 422-8840.

Christmas Tree Recycling

Beginning December 26th, Christmas trees will be accepted for recycling **FREE OF CHARGE** to County residents at the **Corral Farm Facility in Warrenton only**:

Monday – Saturday from 7am-3pm at both the Bulk Recycling area and the collection site.

Sundays (12/30, 1/6, 1/13, and 1/20) at the collection site.

After Sunday, January 20th, Christmas trees **will not** be accepted on Sundays.

Please remove all tinsel, wire and decorations prior to recycling. Trees will be ground for mulch.

Christmas trees **will not** be accepted at any remote site.

Please call the office with any questions, at (540) 422-8840.

Recycle Your Christmas Lights

Christmas light strands contain valuable copper wire, and plastics that may be recyclable. Light strands are not considered biodegradable, as they take thousands of years to decompose in a landfill. Please consider recycling your broken or unused light strands, instead of disposing of them in the trash.

Christmas light strands are accepted at all sites for recycling, at any time. Please remove bulbs from strands before recycling, and give to any site attendant.

Commercial Permit Renewals

Commercial permit renewal letters were mailed to commercial customers the middle of November. Please contact our office at (540) 422-8840 if you have not received your renewal letter.

Renewal fees are due by **January 15th, 2019**.
