Junior Sheriff's Academy

2019

The Fauquier Sheriff's Office offers young people the opportunity to experience public safety firsthand through the Junior Sheriff's Academy (JSA). Cadets will learn the basic functions of a working law enforcement agency, as well as have a chance to learn about careers in public safety. They will have the opportunity to meet members of the Fauquier County Sheriff's Office as well as other public safety agencies. They will have exposure to the Fauquier County Sheriff's Emergency Response Team (SERT), Drone Operations, School Resource Officers, Crime Scene Investigation, Bicycle Unit, K-9 Units, Gun Safety, Warrenton Police Department Motor Unit, Helicopter, Warrenton Fire Department, group field activities and much more. JSA transforms the traditional role of the law enforcement officer into one of mentor and friend while encouraging youth to be partners in building a safer community.
