Employee of the Month

Congratulations to **Adam Rollinger** for being Fauquier County's Employee of the Month for June. Adam is being recognized for his service and his recent work in completing an extensive clean-up of the Route 29 corridor.

Adam took charge in identifying, contacting and scheduling probationers who had yet to meet their community service obligations to the court. He adjusted his own work schedule to accommodate the schedules of the other County and State entities and went above and beyond keeping contact with all appropriate parties to ensure a safe workplace. This clean-up project provided 300 working hours and collected 277 bags of trash (equaling 5,263 pounds), 44 tires and numerous other large items.

We appreciate Adam's service and commitment to Fauquier County. We are proud to present him with the Employee of the Month Award for June.
