Employee of the Month

Congratulations to **Battalion Chief Dale Kidwell** for being Fauquier County's Employee of the Month for July. BC Kidwell is being recognized for his diligent efforts in improving the efficiency of dispatching the fire and EMS units to their calls.

Over the past two years, BC Kidwell has worked diligently on a project to redesign the CAD system to improve the dispatching of fire and EMS units more efficiently while incorporating GIS time and distance studies and reporting improvements. This undertaking involved many parties and key players from various agencies. BC Kidwell made himself available to ensure equipment was set up properly and answered questions that personnel had on the new system.

We appreciate Dale's efforts and commitment to Fauquier County. We are proud to present him with the Employee of the Month Award for July.
