TITLE: Asset Replacement Program

FILE #: B 18-10

DATE PROPOSED: 7/7/2010

DATE APPROVED/REVISED: 7/7/2010, 7/15/2010, 10/16/19

PURPOSE: Establishment of an Asset Replacement Program to assure the timely replacement of departmental facilities and/or address new facility needs and/or address any planning functions of the department without creating or reacting to annual budgetary fluctuations, assure coordination of similar projects made throughout the department, and implement a systematic approach for addressing small facility and planning needs.
