Employee of the Month

Congratulations to Mark Jones on being named the Fauquier County Government's Employee of the Month for September. He was recognized for his contribution to the development of the Citizen's Academy for Fauquier County Sheriff's Office.

Last year, Mark presented the idea of developing a citizen's academy. He enlisted and encouraged other members of the Sheriff's Office to assist. Along with networking with other Law Enforcement leaders that had a similar program, his research led to the development of an eight week program to be offered to our citizens. The impression left by him and others was clearly displayed in a comment from a participant stating:

"I'm truly blessed to live in a county where the Sheriff's Office puts their citizens first. I have never met such a professional group of men and women. They are skilled, personable, and patient. They are so willing to share their time and knowledge with us."

The leadership that Mark displayed is an example for all County Employees to follow. We are proud to present him with the Employee of the Month Award for September.
