

August

Employee of the Month

Congratulations to **Patrick Workman** for being Fauquier County's Employee of the Month for August. Patrick is being recognized for his responsiveness in helping the Books on the Bus (BOB) Program.

During the last planned event for the summer at the Marshall Community Center, BOB was anticipating a larger than usual turnout. They were also expecting rain. Patrick opened additional areas in the Marshall Community Center so that the 326 participants could spend a rainy summer day playing games, reading to therapy dogs, creating art projects, exploring musical instruments, playing with their friends and eating ice cream.

We appreciate Patrick's thoughtfulness and commitment to Fauquier County. We are proud to present him with the Employee of the Month Award for August.
