Employee of the Month

Congratulations to **Bob Rankin** for being Fauquier County's Employee of the Month for February. Bob is being recognized for his excellent service and his ability to intuitively respond to situational needs.

In preparation for last month's Planning Commission public hearing, there was a need for a videographer to connect to our audio system. This was outside the normal audio system requirements that are usually requested. Bob's response to the request was not only helpful, it allowed the Community Development staff to concentrate on the citizens during the meeting.

We appreciate Bob's efforts and commitment to Fauquier County. We are proud to present him with the Employee of the Month Award for February.
