

March

Employee of the Month

Congratulations to **Carrie Horvath** for being Fauquier County's Employee of the Month for March. Carrie is being recognized for building a strong culture of safety and risk for Fauquier County Government and Public Schools.

Carrie's innovative program named 'Fauquier Cares' has aided employees to stay connected while on leave and provides guidance with their claims. The program has created positive results and helps get our employees back to work with ease. Additionally, Carrie re-established the County's risk and liability policies and practices, including safety audits which have results in safety situations being solved.

We appreciate Carrie's efforts and commitment to Fauquier County. We are proud to present her with the Employee of the Month Award for March.
