Employee of the Month

Congratulations are given to the Until Help Arrives team on being named the Fauquier County Government's Employee(s) of the Month for November 2019. They are being recognized for their large contribution to the innovative and groundbreaking Until Help Arrives program for Fauquier County Fire, Rescue & Emergency Management .

The Until Help Arrives team is comprised of:

Katie Heritage – Deputy County Administrator
RJ Arft – Battalion Chief -Lead Instructor
Jeff Morrow – Building Official
Carrie Horvath – Risk Manager
Chuck Myers – Fire Rescue Technician

Sara Makely – Program Manager
Matt Shields – Fire Rescue Captain -
Lead Instructor
Kerri O'Brien – Fire Rescue Technician
Michael Shea —Fire Rescue Technician

Until Help Arrives teaches our employees and citizens how to recognize violent activities, respond safely, provide immediate rescue tactics to the injured, and report them to 9-1-1 efficiently. The skills that our employees and citizens learn are transferable to countless situations involving traumatic injury, which include car accidents, household injuries, or an active shooter.

The County is very grateful for this team's development and administration of this very valuable program.
