

FY 2021-2025 Proposed Capital Improvement Program

March 5, 2020

FY 2021-2025 PROPOSED CIP

Proposed CIP totals \$99.5 million within plan years, and an additional \$189.4 million in future years

- Cash funding commitment totals \$15.0 million or 15.1%
 - 59.4% General Fund (\$8.92m) & 40.6% non-General Fund (\$6.1m)
 - Assumes School cash funded through one-time \$ from School Division
 - Assumes F&R cash funded from Levy:
 - \$3.5 million F&R Capital Reserve in place, 50% of fund balance each year
- Bond funding commitment totals \$84.5 million
- Debt capacity at 8.5% by FY 2025
- Tax Rate Impacts – Additional 4.1 cents overall through FY25
 - FY21 and FY22 Proposed Budgets support the debt and cash needs
 - 1.4 cents FY23, 1.9 cents FY24 and, 0.8 cents FY25

FY 2021-2025 PROPOSED CIP

Updates/Changes from FY20-24 Adopted CIP:

- Fire, Rescue, & Emergency Services
 - Orlean Station is complete and operational
 - Bealeton Station – Moves it to FY21/22 out of Future Years
 - Marshall Station added and placed in plan years based on VFRA CIP submission
 - Holds other projects as planned, but increases funding level for station projects based on VFRA request/preliminary cost analysis
- General Services: County-wide projects
 - Adds back Courthouse renovations project
- Library – Adjustments for future years price escalation only
- Parks & Recreation
 - Adds Phase II of Central Sports Complex - \$4.4 million
 - Move VH Comm Center & Theater Reno into plan years – FY24/25

FY 2021-2025 PROPOSED CIP

Updates/Changes from FY20-24 Adopted CIP:

- Environmental Services
 - Incorporates BOS actions from FY20, combining projects and addressing funding level on closure
 - Adj. annual engineering/permitting to \$50k/year
- Utilities & Infrastructure
 - Moves Opal Water project out of future years to FY22 (construction)
- Airport Projects (Local Match Only) – Minimal \$ change
 - Design/Construct Runway 15 33 Rehab – Slight cost revisions
- Grant/VDOT Projects
 - Adds MS-4 projects – over next year will review funding needs, grant availability, and SWM Fund capacity to support costs

FY 2021-2025 PROPOSED CIP

School Division:

- Adjust Cedar Lee Middle and Central Middle School Projects to current cost estimates/projections
 - Central Middle School – Taylor Middle
 - Based on February BOS/School Board Liaison meeting and February BOS work session with School Division on projects
 - Assumes 90/10 debt/cash on each project
 - Financing schedule for both projects based on Finance Director's overview at February BOS work session
- Cedar Lee Middle School: \$17.5 million
- Taylor Middle School: \$39.9 million
- Auburn, KRHS, Greenville remain in future years
 - Does not adjust future years Adopted CIP budget amounts
- Removes ES12 Land purchase in future years

FY 2021-2025 PROPOSED CIP

Proposed CIP impacts from Adopted CIP

Debt Service and Cash Funding Requirements

- Projected Five Year Tax Increase

Plan	FY 21	FY 22	FY 23	FY 24	FY 25	Total
Proposed CIP	0.0 cents	0.0 cents	1.4 cents	1.9 cents	0.8 cents	4.1 cents
Adopted CIP	1.2 cents	1.6 cents	(0.7 cents)	0.4 cents	n/a	2.5 cents

- Debt pay down, before new issuance has minimized the tax impact
- FY22 assumes natural growth to offset debt service funding increase

- Projected Debt Capacity

Plan	FY 21	FY 22	FY 23	FY 24	FY 25
Proposed CIP	5.9%	6.4%	7.0%	7.8%	8.5%
Adopted CIP	7.1%	7.5%	7.9%	7.7%	n/a

FY 2021-2025 PROPOSED CIP

Bealeton Fire and Rescue Station

- 4.65m: \$300k in FY21, 4.35m in FY22
- Constructs new F&R station on proffered site.
 - 3.39 acres of land, rough graded with utilities to parcel boundary
 - VFRA assumes 18,610 sqft facility with 5 apparatus bays based on Remington station design
- Monetary Proffers, upon issuance of occupancy permit
 - Base amount of \$3,003 per residential unit
 - Additional \$1,000 per residential unit and \$500 per attached residential unit for Station construction
- Opening of Station would require additional staffing

Strategic Plan: Priority 2

FY 2021-2025 PROPOSED CIP

Marshall Fire and Rescue Station

- \$4.65m: \$1.15 FY23, \$3.5m in FY24
- Construction of the Volunteer Fire & Rescue Station (combining two stations)
 - Provides adequate facilities for 24 hour staffing in one location for the Marshall area.
 - One building would house both fire & rescue, which is currently operated in two separate facilities.
 - The building could also act as a shelter in weather-related storms.

Strategic Plan: Priority 2

FY 2021-2025 PROPOSED CIP

The Plains Fire and Rescue Station

- \$5.8m: \$300k FY25, \$5.5m Future Years
- Renovation and addition to existing station
 - Demo of previous addition and construction of new 15,125 sqft addition
 - Updated facility would include 5 apparatus bays, 5,950 sqft operations and living area
 - 5 bunk rooms for 10 overnight occupants
 - Maintains 2nd floor of existing building used Town community and meeting room

Strategic Plan: Priority 2

FY 2021-2025 PROPOSED CIP

Upperville Fire and Rescue Station

- \$3.8m: \$300k FY25, \$3.5m Future Years
- Maintains existing budget amount/scope, ultimate project scope TBD

Strategic Plan: Priority 2

FY 2021-2025 PROPOSED CIP

Southern Fire and Rescue Station

- \$7.1m: \$300k FY19 and \$6.8 million
Future Years
 - Placeholder Project, Site TBD with \$300k in FY19
 - Overall funding level based on Bealeton Station, as a placeholder

Strategic Plan: Priority 2

FY 2021-2025 PROPOSED CIP

Fire and Rescue Training Facility

- \$2.25m: Future Years
- Placeholder project to centralize fire and rescue training facilities
 - Classroom and practical training functions
 - Allow for administrative space
 - Estimate need for 40,000 sqft
- Current training provided for at various locations including Stations and SIM lab at Armory

Strategic Plan: Priority 2

FY 2021-2025 PROPOSED CIP

Public Safety Building

- \$25.0m: Future Years
- Placeholder project to centralize all public safety operations (DFREM and Sheriff's Office)
 - Classroom and practical training functions
 - Allow for administrative space
 - Estimate need for 40,000 sqft
- Current training provided for at various locations including Stations and SIM lab at Armory

Strategic Plan: Priority 2

FY 2021-2025 PROPOSED CIP

Stafford Property – Joint Use Facility

- \$45.6 million: Future Years
 - Previously spent \$700k on master plan, prelim. Design, and water/well exploration
 - Budget most recently updated July 2016
- Development of the 200+-acre Stafford Property site
 - Project site work including entrance, roadway, water storage tank, and buildings/offices
 - Construction of buildings for relocation of the General Services (GS) Complex/ Manor Court facilities

Strategic Plan: Priority 3.5

FY 2021-2025 PROPOSED CIP

Courthouse Renovations

- \$2.7m: 200k FY21, 360k FY22, 2.04m FY23
 - Project allows for the consolidation of all Circuit and Juvenile & Domestic Relations (J&DR) Court services into Circuit Courthouse

Strategic Plan: Priority 3.5

FY 2021-2025 PROPOSED CIP

78 Lee Street Renovation/Expansion

- \$4.5m: \$500k FY24, \$4m FY25
 - Renovation and Expansion (10,000 sqft) to existing 19,000 sqft structure
 - Renovation to address current fire code & access requirements under ADA, HVAC replacement
 - Expansion will provide office space for an additional 35 employees
 - Expansion completed prior to renovation to stage project and reduce operational impacts

Strategic Plan: Priority 3.5

FY 2021-2025 PROPOSED CIP

School/County Office Space

- \$11 million: Future Years
- Placeholder project for general office space for the County and School Division.
- Project scope would be determined based on review of existing and future office space needs.
- Project could include new construction or renovation of existing and/or acquired facilities.

Strategic Plan: Priority 3.5

FY 2021-2025 PROPOSED CIP

Central Library

- \$18.3m: Future Years
 - \$550,000 of previous cash funding still held
- Cash funding would be dependent on the level of cash commitment by the County

Existing Site

FY 2021-2025 PROPOSED CIP

New Baltimore Library

- \$11.4 m: \$430k PY, \$10.9m Future Years
 - Construction of 15,000 sqft facility on proffered site
 - Design work completed for this site

Proffered site adj. to
Auburn Middle School

FY 2021-2025 PROPOSED CIP

Ball Fields/Trails/Playgrounds

- \$3.25m: \$200k in FY21 and \$450k in FY22-25
 - Cash funding, FY20 shifted to Central Sports Complex Dec 2018 action
- Funding utilized for:
 - Ongoing renovation and/or repair public ball fields
 - Development of greenway and trails projects (including matching funds for grants)
 - Expansion, upgrade, or construction of existing or new playgrounds

Strategic Plan: Priority 3.3

FY 2021-2025 PROPOSED CIP

Central Sports Complex

- 18.3m: \$13.9m in Prior Years, \$4.4m FY22
- FY22 funding utilized for:
 - Utilities to support the park; geo-tech, water & waste water infrastructure, ballfield light system, restrooms, irrigations/well

Strategic Plan: Priority 3.3

FY 2021-2025 PROPOSED CIP

Northern Swimming Pool

- \$6.0 million – Future Years
- Provides for a public swimming pool in northern end of County, per Mellon Estate agreement
- Two potential sites:
 - Next to Marshall Community Center
 - Proffered site – P&R reviewing feasibility of this site

Strategic Plan: Priority 3.3

FY 2021-2025 PROPOSED CIP

Vint Hill Community Center & Theater Renovation/ADA work

- \$2.2m: \$440k FY24, 1.76m FY25
- VH Community Center
 - Renovations to address ADA accessibility issues, including expansion of 5,000 sqft including weight room, meeting room, dance/fitness studio, restrooms, and lobby
- VH Theater
 - Renovations to address ADA accessibility issues, including expansion of 2,000 sqft to renovate lobby and add ADA restrooms

Strategic Plan: Priority 3.3

FY 2021-2025 PROPOSED CIP

Southern Sports Complex

- \$5.88m million: \$900k PY (land purchase), \$5 million Future Years
 - Ultimate design TBD
 - Project provides for the installation of infrastructure for sports complex (roads/parking/utilities/restrooms)
 - Project allows for construction of sports fields
 - Still seek to institute partnership with County sports leagues

Strategic Plan: Priority 3.3

FY 2021-2025 PROPOSED CIP

Rappahannock Station – Phase I

- \$2.00 million: \$1m PY, \$1m in FY21
 - Prior Year includes preliminary design and/or river access at alternate site
 - FY 21 includes final design and construction which includes river access, historical interpretation kiosks, trails, and picnic facilities

Strategic Plan: Priority 3.4

FY 2021-2025 PROPOSED CIP

Marshall Community Center

- \$1.89m: Future Years
- Provides for design and construction of an addition and renovation to facility
 - Address safety and functional issues
 - Addition will include a main lobby to correct drainage and access between two sections of building
 - Address ADA accessibility issues

Five-Year Plan Impact: \$0

FY 2021-2025 PROPOSED CIP

Southern Community Center

- \$3 million, Future Years
- Site to be determined
- Project provides for land acquisition, design, and construction
- Project contemplates community center with gymnasium, classrooms, meeting space, and recreational facilities
- Annual operating costs estimated at \$260,000 dependent upon final project configuration and services

Five-Year Plan Impact: \$0

FY 2021-2025 PROPOSED CIP

Southern Pool

- \$6.0 million, Future Years
- Site to be determined
- Project provides for land acquisition, design, and construction
- Annual operating costs estimated at \$250,000 dependent upon final project configuration and services
 - User fees would partially offset these costs

Five-Year Plan Impact: \$0

FY 2021-2025 PROPOSED CIP

Landfill/Transfer Station Long-term Development & Permitting

- \$562k: \$262k PY, \$50k/year in FY21-25
 - This projects allows for the continued long-term engineering for future landfill cell permitting and engineering needs
 - As contemplated with the transition to Transfer Station operational model, this allows the County to maintain permitting practices for future landfill space needs
 - Maintains the County's ability to switch to a landfill operational model as necessary in the future
 - Maintains the undeveloped land on the site for future landfill needs

Strategic Plan: Priority 3.2

FY 2021-2025 PROPOSED CIP

Leachate/Gas Management

- \$3.8m: Prior Year
- Provides for necessary leachate and gas management upgrades to the site
- Contemplates long-term onsite leachate management plan
 - Potential leachate evaporation system
- Improves existing leachate ponds with repairs and improvements

Strategic Plan: Priority 3.2

FY 2021-2025 PROPOSED CIP

Landfill Closure/Post-Closure

- \$24.6 million: \$12.8m PY, \$11.8 Future Years
 - Cell 575 (includes post-closure costs): Future Years, \$11.8 million
 - FY 2018 allows for the engineering of the closure plan for Landfill 149.
 - State regulations require the old landfill site be closed by 2020, construction anticipated in FY19
 - Future Years contemplates the closure of additional open cells
 - Future Years also contemplates the ongoing monitoring costs in the post-closure period

Strategic Plan: Priority 3.2

FY 2021-2025 PROPOSED CIP

Convenience Sites:

New Baltimore: \$950,000, Future Years

- Provide for the acquisition and development of a new site to address safety and functionality concerns at existing sites

Marshall: \$1.16 million, Future Years

- Placeholder for improvement of the current site with the recently purchases adjacent parcel. Available funding from purchases project will be used for entrance improvements, etc.

FY 2021-2025 PROPOSED CIP

Opal Water System

- \$6.43 million: \$500k FY17 and \$5.93m FY22
- Estimate based on 2017 PER
 - Project provides for public water service to the Opal Service District
 - Project shifted to future years during last year's CIP process

Strategic Plan: Priority 1.1.1

FY 2021-2025 PROPOSED CIP

Hydrogeological Studies

- \$2.2 million: Prior Years – Future Years, \$200k/year
- Funding provides for long-term water resource planning of County
- Funding allows for hydrogeological studies as identified by the BOS
- Funding provided for USGS/Community Development project

Strategic Plan: Priority 5.3

FY 2021-2025 PROPOSED CIP

Broadband Development

- \$20.6 million: \$12.6m Prior Year and \$4m/year FY21-22
 - Funding contemplate as a mix of cash, financing, and potential grant funding
 - Project seeks to address the areas of County that are unserved and underserved by broadband service
 - Project allows for the project management personnel, engineering, permitting, and necessary construction/improvements
 - No debt issued to date, seeking other funding options first

Strategic Plan: Priority 1.1

FY 2021-2025 PROPOSED CIP

Marshall Water System Improvements

- \$2.0m Prior Year
 - Allows for the engineering and permitting for water system improvements
 - Improvements of existing water service delivery system
 - Address issues of concern including capacity, repair status, and water pressure

Strategic Plan: Priority 1.1

FY 2021-2025 PROPOSED CIP

Midland/Airport Area Utility Improvements

- \$6.4m Prior Year
 - \$400k in FY17, allows for preliminary engineering (currently underway)
 - Cost estimates based on 2016 Timmons study on implementation of public water and sewer service in the area around the Airport and Midland Service District
 - Project assumes a phased approach for the construction of the infrastructure
 - Potential economic development impacts for commercial and industrial growth

Strategic Plan: Priority 1.1

FY 2021-2025 PROPOSED CIP

Midland/Bealeton Service Districts Improvements

- \$5.0 million, Future Years
 - Project contemplates the extension of sewer or other related utilities to the services districts
 - Placeholder for infrastructure needs for potential commercial or business development
 - Service District plans contemplate the construction of public systems for full development concepts

Strategic Plan: Priority 1.1

FY 2021-2025 PROPOSED CIP

Airport Washrack

- \$40k Prior Year
 - Total budget: \$200,000 with DOAV funding of \$160,000
 - Project designs and constructs a dedicated washrack for planes including an oil-water separator to provide runoff and meet DEQ requirements.

Design/Construct/Rehabilitate Runway 15 33

- \$105k: \$7k FY22, \$97.5k FY24
- Total budget: \$3,900,000 with FAA/DOAV funding of \$3.8 million
 - Project designs and construct necessary rehabilitative measures for existing runways as required by DOAV and FAA with project completion by FY 2024

Corporate Apron Phase I & II Design/Construction

- \$1.7m: \$150k FY25, \$1.5m Future Years

Corporate Access Road Design/Construction

- \$633k Future Years

FY 2021-2025 PROPOSED CIP

Cedar Lee Middle School Renovations/Expansion

- \$17.5 million: \$15.7m FY21 and \$1.8m FY22

Taylor Middle School Renovations/Expansion

- \$39.9 million: \$3.3m FY22, \$30.5m FY23 and \$6.1m FY24

Auburn Middle School Expansion

- \$9.94 million: Future Years

Kettle Run High School Expansion

- \$3.8 million: Future Years
- Additional 8 classrooms at KRHS for future growth needs.

Greenville Elementary School Expansion

- \$3.1 million: Future Years
- Additional 6 classrooms for future growth needs

FY 2021-2025 PROPOSED CIP

Grant-funded CIP Projects

- These projects are primarily included in the CIP based on VDOT ranking system for grant funded programs (both State and federal grant funding).
 - Projects include Revenue Share and Transportation Alternative programs.
 - Both funding programs are now on a two-year funding cycle, awaiting FY 21/22 funding status for Grace Miller SRTS grant application.
- Adds MS-4 projects on County supported public facilities.
 - Current project underway was funded majorly through grants and local support from Stormwater Management Fund Balance.
