Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0/person or \$0/family for In- Network Providers . \$200/person or \$400/family for Non- Network Providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	No.	You will have to meet the deductible before the plan pays for any services.
Are there other deductibles for specific services?	Yes. \$150/person or \$300/family for Prescription Drugs for In- Network Providers . \$150/person or \$300/family for Prescription Drugs for Non- Network Providers . There are no other specific deductibles .	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan ?	\$1,000/person or \$2,000/family for In- Network Providers . \$2,500/person or \$5,000/family for Non- Network Providers . This plan has a separate Out of Pocket Maximum of \$3,500/individual or \$7,000/family for Prescription Drugs .	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket	Routine vision care, Premiums , balance-billing charges, and	Even though you pay these expenses, they don't count toward the out-of-pocket limit .

limit?	health care this plan doesn't cover.	
Will you pay less if you use a network provider?	Yes, KeyCare. See www.anthem.com or call (833) 592-9956 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an Non-Network Provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an Non-Network Provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
