

September

Employee of the Month

Congratulations to the fleet services staff for being named Fauquier County Government's September Employees of the Month. The staff, which includes Charles Swidrak, Scott Mullins, Clark Mallam and Russell Fox, are being recognized for their quick response to putting out a fire in the fleet shop on the morning of September 11, 2020.

The staff was prepping the Head Start buses to ensure that they were ready for their opening on Monday, September 14, 2020. There was a problem with one of the buses and when driving it into the shop, the fuel line ruptured and the bus backfired. The backfire ignited the fuel being pumped out of the bus through the ruptured line. Due to the quick reaction of the staff, they were able to extinguish the fire, saving the bus and the shop.

The County is very grateful for this teams quick action. We are proud to present them with the Employee of the Month of September 2020.
