GENERAL FUND REVENUE SUMMARY

Local Revenue

General Property Taxes

The FY 2011 adopted budget includes \$105,023,472 in property tax revenue. The FY 2011 budget implements the 2010 countywide reassessment, which resulted in an average 24.9% decline in the average residential assessment. Equalizing the average residential tax bill from FY 2010 to 2011 would have required an overall \$1.02 real estate tax rate. The Board of Supervisors approved an overall \$0.97 rate during the FY 2011 budget process.

2009-2010 Average Residential Real Estate Assessment & Tax Bill			
2009 Assessment	2009 Avg. Tax Bill	2010 Assessment	2010 Avg. Tax Bill
\$417,200	\$3,192	\$313,200	\$3,038

Additional reductions are anticipated in personal property tax revenue, which is forecast to decline by 20% from the FY 2010 budget. The decline in personal property tax revenue is reflective of the Board of Supervisors' establishment of a separately-taxed category for business property, as well as lowered automobile sales estimates, increased depreciation and reduced business activity.

Non-Categorical Aid

This category consists of taxes imposed by the State and shared with the County using a variety of distribution formulas. The General Assembly eliminated the sharing of tax revenue of liquor and spirits during its FY 2009 budget process. The remaining categories, including State reimbursements under the Personal Property Tax Relief Act, are anticipated to remain unchanged in FY 2011.

This category includes funding for welfare, social services and the Comprehensive Services Act for At-Risk Youth (CSA). Disbursements under these programs are calculated using a shared cost formula established by the Code of Virginia. Also included is funding for the County library system, reimbursements for circuit court juries, and funding for criminal system diversion programs. Categorical aid also includes an across-the-board reduction to State locality aid that was adopted by the General Assembly for the FY 2009-2010 biennium and increased in FY 2011.
