

***SECTION 1 - PURPOSE AND INTENT***

The purpose of this Ordinance is to establish subdivision standards and procedures for the County of Fauquier, Virginia, and such of its environs as may be under the jurisdiction of the governing body.

This Ordinance is to guide and facilitate the orderly, beneficial growth of the community by assuring the orderly subdivision of land and its development, and to promote the public health, safety, convenience, comfort, prosperity, and general welfare.

The Ordinance is known and may be cited as "Subdivision Ordinance of Fauquier County, Virginia, 1968".
