

Mixed Glass

Accepted at the following sites:

Catlett
Corral Farm
Markham
Marshall
Morrisville
New Baltimore
Remington

How to Prepare for Recycling:

- Rinse out glass container.
- Remove all metal and plastic rings and lids. Recycle metal lids as scrap metal.
- Place glass of any color in appropriate container.
- NO light bulbs, mirrors or windows.

Why Recycle?

Recycled mixed colored glass is crushed on site and is used in place of gravel around the Corral Farm site in Warrenton.
