

Wood (Lumber)

Accepted at the following site:

Corral Farm Collection Site (ONLY)

How to Prepare for Recycling:

- Wood pallets of any size are accepted.
- Clean construction lumber scraps and plywood are accepted.
- Please discard painted, pressurized or lumber with creosote in the bulky waste containers.

Why Recycle?

Wood is ground on site by a contractor and sold for use as mulch or animal bedding.

In FY16, approximately 1,800 tons of white wood was diverted from the landfill and ground into mulch.
