

# May

Congratulations to **Tracy Gallehr** for being named the Fauquier County Government's Employee of the Month for May. Tracy is being recognized as the Employee of the Month for her quick response to a legal claim that resulted in protecting the County from paying a large penalty.

In March, the County received a notice of penalty from the IRS regarding the new 1095C forms. You took swift action to research the claim as well as taking a deeper dive into the IRS form requirements. Tracy's partnership and assistance in correcting the forms resulted in updating the submissions for 2016 and 2017.

The county is very grateful for Tracy's quick responses and attention to detail. We are proud to present her with the Employee of the Month award for May 2018.
