

# October

Congratulations to Mallory Stribling for being named the Fauquier County Government's Employee of the Month for October. She is being recognized as the Employee of the Month for her large contributions to the success of the Fauquier County Employee Wellness and Field Day.

Starting with a simple idea of a friendly after work kickball tournament which blossomed into an event that would bring employees from different departments together to have a fun filled day. Mallory was instrumental in planning, designing and implementing the kickball tournament with the intention of employee camaraderie, wellness and unity.

The county is very grateful for her commitment to employee culture and camaraderie. We are proud to present Mallory with the Employee of the Month award for October 2018.
