

# November

Congratulations to Erika Visnevskaja, Department of Social Services, for being named the Fauquier County Government's Employee of the Month for November. She is being recognized as the Employee of the Month for her contributions and oversight of CSA (Children's Services Act) audit performed by the Office of Children's Services.

The OCS (Office of Children's Services) audit had the potential for the County and School Division to have liability. Erika's mitigations resulted in the county and school division being freed from any penalties.

The county is very grateful for her commitment and attention to detail. We are proud to present Erika with the Employee of the Month award for November 2018.
