Employee of the  
Month

November

Congratulations to William Earnshaw for being named Employee of the Month for November 2024. He is being recognized for his outstanding customer service to the tenants and visitors of the Fauquier Airport.

William's attention to detail helps the tenants every day, even when they may be in danger. Other noteworthy examples are taking on additional duties at the airport and supporting many events that the airport hosts each year. This includes guiding and directing much of the fueling and flight line setup for the events.

Thank you for the services that you provide to our visitors. Fauquier County appreciates you setting the example of what quality service and passion for your work is.
