Any importation of topsoil, fill or other excavation material not explicitly prohibited hereunder requires the advance written approval of Grantee.

- F. Management of agricultural and forestal resources. The application of Best Management Practices, as established by the Virginia Department of Conservation and Recreation (DCR) and the Virginia Department of Forestry (DOF), shall be undertaken to control erosion and protect water quality in all agricultural and forestal activities. Any timber harvest shall be undertaken in accordance with a Forest Management Plan completed and submitted to the Grantee prior to such activity.

- G. Accumulation of waste material. There shall be no accumulation or dumping of trash, refuse or junk on the Property. This restriction shall not prohibit customary agricultural, horticultural or wildlife management practices including, but not limited to, establishing brush, compost piles, the routine and customary short-term accumulation of household trash or the composting of animal waste.

- H. Non-transferability of Extinguished Rights: The Property or any portion thereof shall not be included as part of the gross area of other property not subject to this easement for the purposes of determining density, lot coverage, or open space requirements under otherwise applicable laws, regulations, or ordinances controlling land use and building density. No development rights which have been encumbered or extinguished by this easement shall be transferred to any other lands pursuant to a transferable development rights scheme or cluster development arrangement or otherwise, provided, however, that with prior written permission of the County, this paragraph shall not preclude such transfer of development rights from the destruction or demolition of any existing residential buildings on the property.

3. MISCELLANEOUS PROVISIONS.

- A. No public right-of-access to Property. This Deed of Easement does not create, and shall not be construed to create, any right of the public to enter upon or to use the Property or any portion thereof, except as Grantor may otherwise allow in a manner consistent with the terms of this Deed of Easement and the PDR Program.

- B. Easement applies to the whole Property and runs with the land. The covenants, terms, conditions, and restrictions of this Deed of Easement shall apply to the Property as a whole, and shall run with the land and be binding upon the parties, their successors, assigns, personal representatives, and heirs, and be considered a servitude running with the land in perpetuity.
- C. Enforcement. In addition to any remedy provided by law or equity to enforce the terms of this Deed of Easement, the parties shall have the following rights and obligations:
1. Monitoring. Employees or agents of Grantee may enter the Property from time-to-time, at reasonable times, for the purpose of monitoring compliance with the terms of this Deed of Easement. The Grantee shall give reasonable prior notice before entering the Property. The Grantor shall not unreasonably withhold permission.
 2. Baseline Data. In order to establish the present condition of the Property, the Grantee has examined the Property and prepared an inventory of relevant features, conditions, and improvements ("Baseline Documentation") which is incorporated by this reference. A copy of the Baseline Documentation has been provided to Grantor, and the original shall be placed and remain on file with Grantee. The Grantor and Grantee agree that the Baseline Documentation is an accurate representation of the Property at the time of this grant and is intended to serve as an objective information baseline for monitoring compliance with this Deed of Easement. The Grantor and Grantee further agree that in the event a controversy arises with respect to the condition of the Property or a particular resource thereof, the Grantor and Grantee shall not be foreclosed from utilizing any other relevant document, survey, or report to assist in the resolution of the controversy.
 3. Action at law inadequate remedy. The parties agree that monetary damages would not be an adequate remedy for the breach of any terms, conditions and restrictions herein contained and, therefore, in the event that the Grantors, their successors or assigns, violate or breach any of the terms, conditions and restrictions herein contained, the Grantee, its successors or assigns, may institute a suit, and shall be entitled to enjoin, by *ex parte* temporary and/or permanent injunction, such violation and to require the restoration of the Property to its prior condition.
 4. Restoration. Upon any breach of the terms of this Deed of Easement by Grantor, Grantee may require by written demand to the Grantor that the Property be restored promptly to the condition required by this Deed of Easement. Upon Grantor's receipt of a written demand by the Grantee to restore the Property to the condition required by the Deed of Easement, Grantor will have thirty (30) days to either restore the Property or file with

the Circuit Court of Fauquier County an action to determine whether or not a breach has occurred. Grantee's right to enter onto the Property and restore the Property shall be tolled during the pendency of any suit filed under the terms of this section. Upon the expiration of the 30 day period or the entry of a final judgment by the Circuit Court of Fauquier County, the Grantee may, but is not required, to restore the Property to a condition consistent with the terms of this Deed of Easement and assess the cost of such restoration against the owner of the parcel as a lien against the Property, provided, however, that no such lien shall affect the rights of a subsequent bona fide purchaser unless a memorandum of such lien was recorded among the land records prior to such purchase. Such lien shall be subordinate to any deed of trust recorded prior to the recordation of a memorandum of such lien.

5. Failure to enforce does not waive right to enforce. The failure of Grantee to enforce any term of this Deed of Easement shall not be deemed a waiver of the right to do so thereafter, nor discharge nor relieve Grantor from thereby complying with any such term. Furthermore, the Grantor hereby waives any defense of laches, estoppel, or prescription.
 6. Costs of Enforcement. Any costs incurred by the Grantee in any Court action or in any restoration project instituted under Section 3.C.3 or 4 of this Deed of Easement, including, without limitation, costs of suits and reasonable attorney's fees shall be borne by the Grantor.
 7. No right of enforcement by the public. This Deed of Easement does not create, and shall not be construed to create, any right of the public to maintain a suit for any damages against the Grantor for any violation of this Deed of Easement.
- D. No Exchange. The Grantor shall not have the option to re-acquire any property rights relinquished by this Deed of Easement.
- E. Notice of proposed transfer or sale. The Grantor shall, within thirty (30) days of the sale of the property, notify the County, in writing, of the transfer or sale of the property. Said notice shall include the name and address of the new owner of the property. In any deed conveying all or any part of the Property, this Deed of Easement shall be referenced by instrument number or deed book and page number in the deed of conveyance and shall state that this Deed of Easement is binding upon all successors in interest in the Property in perpetuity.

Notification Address for all notices or requests for approval of Grantee required herein shall be given by Grantor in writing and sent to:

*Fauquier County Administrator

with copy to:

- F. Relation to applicable laws. This Deed of Easement does not replace, abrogate or otherwise supersede any Federal, State, or local laws applicable to the Property.
- G. Zoning Ordinance. Notwithstanding any other provision of this Deed of Easement, the Fauquier County Zoning Ordinance and Fauquier County Subdivision Ordinance shall apply to the Property and shall take precedence over this Deed of Easement to the extent that the Zoning or Subdivision Ordinance regulations are more restrictive than the terms of this Deed of Easement.
- H. Severability. If any provision of this Deed of Easement is determined to be invalid by a court of competent jurisdiction, the remainder of this Deed of Easement shall not be affected thereby.
- I. Recordation. Upon execution by the parties, this Deed of Easement shall be recorded with the record of land titles in the Clerk's Office of the Circuit Court of Fauquier County, Virginia.
- J. Authority to convey easement. The Grantor covenants that he is vested with good title to the Property and may convey this Deed of Easement.
- K. Authority to accept easement. The Grantee is authorized to accept this Deed of Easement pursuant to *Code of Virginia* § 10.1-1701.
- L. Extinguishment. The Grantor and the Grantee intend that this easement be perpetual and not be extinguished, and extinguishment of this easement is not permitted under the Open-Space Land Act, *Code of Virginia* § 10.1-1700 *et seq.* except as provided in *Code of Virginia* § 10.1-1704. The Grantor and the Grantee agree that this easement shall not be converted or diverted, as the Open-Space Land Act employs those terms, until and unless the Grantee or an assignee of the Grantee's interest in this easement, certifies that such conversion or diversion satisfies the requirements of the Open-Space Land Act. The Grantor agrees that the grant of the perpetual conservation restriction in this Deed of Easement gives rise to a property right, immediately vested in the Grantee, with a fair market value that is at least equal to the proportionate value that the perpetual conservation restriction at the time of the grant bears to the value of the Property as a whole at that time. If a subsequent unexpected change in the conditions surrounding the Property makes impossible or impractical the continued use of the Property for the conservation purposes specified herein, the restrictions set forth in this Deed of Easement can be extinguished only by a judicial proceeding and only if such extinguishment also

complies with the requirements of *Code of Virginia* § 10.1-1704. In any sale or exchange of the Property subsequent to such extinguishment, the Grantee shall be entitled to a portion of the proceeds at least equal to the proportionate value of the perpetual conservation restriction computed as set out above, but not to be less than the proportionate value that the perpetual conservation restriction at the time of the extinguishment bears to the then value of the Property as a whole.

- M. Grantor and Grantee agree that in the event that Grantee acquires a fee interest in the Property, this Deed of Easement shall not merge into the fee interest, but shall survive the deed and continue to encumber the Property.
- N. Transfer of easement by Grantee. Except as qualified by Paragraph S herein, neither Grantee nor its successors and assigns may convey or lease the conservation easement established and conveyed hereby unless the Grantee conditions the conveyance or lease on the requirements that: (1) the conveyance or lease is subject to contractual arrangements that will assure that the Property is subject to the restrictions and conservation purposes set forth in this Deed of Easement, in perpetuity; and (2) the transferee is an organization then qualifying as an eligible donee as defined by 26 USC § 170(h)(3) of the Internal Revenue Code of 1986, as amended, and the applicable Treasury Regulations promulgated thereunder, or is a public body within the meaning of *Code of Virginia* § 10.1- 1700.
- O. Construction. This Deed of Easement shall be construed to promote the purposes of this Deed of Easement and the PDR Program.
- P. Hold Harmless. Grantor shall hold harmless, indemnify, and defend Grantee and its employees, agents, successors and assigns from and against all liabilities, penalties, costs, losses, damages, expenses, causes of action, claims, demands, or judgements including, without limitation, reasonable attorney's fees arising from, or in any way connected with, the result of a violation on the Property of any State or Federal environmental statute or regulation by the Grantor.
- Q. Controlling Law. The interpretation and performance of this Deed of Easement shall be governed by the laws of the Commonwealth of Virginia.
- R. Entire Agreement. This instrument sets forth the entire agreement of the parties with respect to this Deed of Easement and supersedes all prior discussions, negotiations, understandings, or agreements relating to this Deed of Easement, all of which are merged herein. Any amendments to this Deed of Easement shall be in writing, signed by each of the parties including any co-holder designated by the County. In addition, no such amendment to this Deed of Easement shall be made without prior, written approval of the Grantee, or their designee.
- S. Forms and Tax Credits or Deductions. The parties hereto agree and understand that

any value of any donation claimed for tax purposes must be fully and accurately substantiated under the requirement of State and Federal tax codes applicable to donations of conservation easements and by an appraisal from a qualified appraiser as defined in IRS regulations (see 26 CFR § 1.170A-13(c)(5)), and that the appraisal is subject to review and audit by the appropriate tax authorities. **THE COUNTY OF FAUQUIER MAKES NO EXPRESS OR IMPLIED WARRANTIES REGARDING WHETHER ANY TAX BENEFITS WILL BE AVAILABLE TO GRANTOR FROM THE DONATION OR ANY PARTIAL DONATION OF THIS EASEMENT, NOR WHETHER ANY SUCH TAX BENEFITS MIGHT BE TRANSFERABLE, NOR WHETHER THERE WILL BE ANY MARKET FOR ANY TAX BENEFITS WHICH MIGHT BE TRANSFERABLE, NOR WHETHER THIS DEED OR ANY OTHER FORM OR DOCUMENTATION PREPARED BY THE COUNTY WILL SATISFY ANY STATE OR FEDERAL REQUIREMENT, LAW, OR REGULATION RELATED TO TAX CREDITS OR DEDUCTIONS FOR THE DONATION OR PARTIAL DONATION OF THIS EASEMENT.**

- T. County right to designate easement co-holder. The County of Fauquier shall have the right in its sole discretion now and at any time in the future to transfer part or all interest it has under this easement to a government or non-profit agency capable of co-holding conservation easements. Such transfer shall not require the consent of the Grantor or any trustee under a deed of trust which has been subordinated to this easement.

Acceptance of this conveyance by the County of Fauquier is authorized by § 15.2-1803 of the *Code of Virginia*; by authority of a resolution adopted by the Board of Supervisors of Fauquier County on February 19, 2002 and adoption of Chapter 8 Article XVII of the Fauquier County Code; by the attorney for Fauquier County approving this conveyance as to form; and by the acceptance of this easement by Janelle J.
